Item	Discussion	Actions and Comments
	8:00 AM - Administrative Remarks. The	
	Executive Director, Dean Black, briefed the	
	delegates on various arrangements for the	
	meeting and convention.	
I	Call to Order and National Anthem. The	
	National President, Mr. Brian Darling, opened	
	the meeting with the traditional ceremony and	
	the Act of Remembrance, pausing for a moment	
	of silence for deceased veterans and departed	
	members of the Air Force Association of	
	Canada.	

Item	Discussion	Actions and Comments
II	Appointment of Parliamentarian and	
	Scrutineers . Invoking certain privileges to	
	which as Chairman he is entitled, Mr. Darling	
	sought the assistance of the National Advisory	
	Committee, represented by past national	
	presidents in attendance, instead of appointing	
	a specific parliamentarian and scrutineers.	
	Members of the NAC (acknowledged below)	
	agreed with the request.	
III	Acknowledgement of Notification of Annual	
	Meeting . The notifications were reviewed and	
	acknowledged.	
IV	Adoption of the Agenda. Lyna Boivin-Smith	
	(306 Wing) moved to adopt the agenda, as	
	amended by the Chairman. Mr. Bud Wilds (888	
	Wing) seconded the motion.	
V	Ratification of NEC Actions. Mr. Art	
	Darnbrough (413 Wing) moved to ratify NEC	
	actions; Mr. Blair Buchanan (200 Wing)	
	seconded the motion.	
VI	Recognition of Past National Presidents,	
	Liaison and Contact Officers. The assembled	
	delegates recognized Mr. John Melbourne, Mr.	
	Ron Button, Mr. Jim Owens and Mr. Ted	
	Mahood, as former national presidents and	
	present members of the National Advisory	
	Council. The chairman also recognized CWO	
	Daphne Germaine (422 Wing LO and LO for	
	427 Wing London).	
VII	Recognition of Members-at-Large. The	
	assembled delegates recognized Mr. Ron	
	Tomlinson and Mr. Andy Catton. Mr. Catton	
	assumed responsibility for voting on behalf of	
	the MALs.	
VIII	Roll Call of Accredited Delegates and	
	Quorum Check . See Annex A and Annex B.	
	Twenty-eight (28) Wings were represented, and	
	65 votes of a total eligibility of 100 votes were	
	present. The chairman declared a quorum.	
	Secretarial Note: the average number of Wings	
	attending the AGM, over the past eight years, has	

Item	Discussion	Actions and Comments
	been 35. The lowest number occurred in Montreal in	
	2002, when 24 Wings attended the AGM. The	
	highest number (42) occurred in 2009 when the	
	AGM was held in Trenton. Normally, a 2/3 rd s	
	majority is required for constitutionally-related	
	issues, meaning that if there are 100 votes available,	
	66 must be present or accounted for by proxy (on	
	defined and inscribed issues). This requirement	
	would suggest a minimum Wing attendance at	
	AGMs of 40, plus or minus four (4). See Annex C	
	for an attendance chart.	
IX	Motion to Accept Minutes of the 60th Annual	
	General Meeting. Mr. Bud Wilds (888 Wing)	
	moved to accept the minutes; Mr. Murray Hope	
	(418 Wing) seconded the motion.	
X	Honorary National President's Opening	
	Remarks. LGen Macdonald provided an	
	overview of the air force and explained his	
	upcoming departure, and succession by LGen	
	Campbell.	
XI	National President's Opening Remarks. Mr.	
	Darling welcomed the delegates to the lovely	
	surroundings of Comox and Courtenay. He	
	also expressed sincere thanks to the Host	
	Committee from 888 (Komox) Wing under the	
	very capable chairmanship of Gerry Bullen and	
	to Wing President Bud Wilds (and former Wing	
	President Al Hampshire) for the wonderful	
	work they had done in organizing this meeting.	
	He next thanked Col Lalumiere, the Wing	
	Commander of 19 Wing, for making facilities	
	on this fine base available. Mr. Darling	
	indicated that this was an excellent example of	
	the Association working hand in hand with	
	Canada's Air Force.	
	Mr. Darling noted that the theme of this year's	
	AGM focused on the 70th Anniversary of the	
	British Commonwealth Air Training Plan, the	
	BCATP. He indicated that the delegates would	
	be hearing more about the BCATP from the	
	guest speaker, the acclaimed author, Ted Barris,	

Item	Discussion	Actions and Comments
	at the awards banquet later that evening. He continued by referring to the Air Force Association's efforts in marking the many BCATP sites with commemorative plaques.	
	He said that, almost twenty years ago, at the suggestion of Past National President, George McMahon, Sr, who was the National Vice President at the time, a project was launched at the 1991 AGM to historically mark all the former BCATP sites across Canada. Many Wings took up the task and as a result of their efforts, a large number of sites, especially in	
	Ontario and Western Canada were marked. The project carried on under the chairmanship of Grant Whitson from Calgary until it wrapped up several years later. He added that George McMahon, Sr sent his regrets for not being able to attend this AGM, but sent his greetings to all for a successful and productive meeting. Mr. Darling then asked Mr. Whitson to stand and be recognized for his excellent work on the BCATP site marking project and for seeing it to completion.	
	With regard to his annual report, Mr. Darling indicated that, since it was contained in the programme booklet, he had nothing further to add in that connection.	
	Mr. Darling next referred to the meeting of the NEC held the previous day, and the action that the NEC had taken with regard to the new Notfor-Profit Corporation Act (Bill C-4) which was due to come into effect in 2011. He read out the text of a communiqué titled "AFAC and the Not-for-Profit Corporations Act: The Way Ahead" which had been prepared by Dean Black, discussed, amended and accepted by the NEC. (See text at Annex D). Mr. Darling	
	emphasized that no formal discussion would be entertained at this Annual General Meeting as	

Item	Discussion	Actions and Comments
	it was a work in progress. Nevertheless, he	
	assured the delegates that the NEC was	
	committed to resolving the issue of	
	membership and the impact that the Act would	
	have upon membership and that full	
	consultation with Groups would be conducted,	
	with a view to presenting a resolution to the	
	next AGM for consideration.	
XII	Introduction of New NEC Members. Mr.	
	Darling introduced the Incoming Honorary	
	National President – Lloyd Campbell,	
	the Atlantic Group President – Randy Cox, the	
	Prairies Group President – Duncan Campbell,	
	the Pacific Group President – Alec Sim and the	
	new MAL Director – Gaston Cloutier. He also	
	acknowledged the outgoing NEC members,	
	George Macdonald (Honorary National	
	President), Danny Gosse (Atlantic), Weldon	
	Moffatt (Prairies), and Jan Hogan (Pacific),	
	thanking them all for their valuable	
	contributions to the NEC and to the	
	Association.	
XIII	Reports of NEC Members. Various members of	
	the NEC spoke to their reports, some copies of	
	which had been provided in time to be	
	published in the program booklet(s).	
	Mr. Tom Irvine, Dominion Chairman of the	
	Royal Canadian Legion, brought greetings from	
	Mrs. Pat Varga, the new Dominion President.	
	He addressed various issues including: interest	
	in recruiting, advocating for the CF, upcoming	
	changes to the constitution and by-laws, and	
	important changes to the veteran's charter.	
XIV	Senior Contact Officer's Report. No report was	
	presented as the Senior Contact Officer was	
	unable to attend.	
XV	Executive Director's Report. The executive	
	director deferred to specific agenda items on	
	which he would be reporting.	
XVI	RCAF Association Trust Report. Mr. Ted	
	Mahood provided an overview of the	

Item	Discussion	Actions and Comments
	Association's Trust Fund activities and	
	successes.	
	A motion to accept the Trust Fund report was	
	made by Mr. Bud Berntson (111 Wing) and	
	seconded by Mr. Earl Sinnett (410 Wing).	
XVII	Financial (Issues) Report. The budget and	
	audit reports were reviewed. Mr. Black	
	explained only one correction was required at	
	this time – delegates were requested to zero-	
	balance the contingency budget line item, and	
	add the contingency amount to the Wing Visitation Allowance budget line item. He	
	further explained that while the Wing	
	Visitation Allowance item was not fully	
	funded, owing to funding shortfalls, he had	
	been instructed by the national president to	
	cash manage such that by the end of the year,	
	sufficient funds could be provided to the	
	Groups for their activities related to visiting	
	Wings.	
	Motion to Appoint Auditors for 2011-2012. A motion to employ McCay Duff LLP (appoint auditors) for the next fiscal year, was moved by Mr. Stan Nichols (422 Wing) and seconded by Mr. Sam Newman (427 Wing).	
	Motion to Accept Auditor's Report. A motion to accept the auditor's report was made by Mr. Brian Hunter (306 Wing) and seconded by Mr. Bill Grahlman (447 Wing).	
	Motion to Accept the Proposed Budget. A motion to accept the budget proposed was made by Mr. Jim King (101 Sqn, 888 Wing), and seconded by Mr. Alex Richards (700 Wing)	
XVIII	Chief of the Air Staff Briefing. MGen Tom Lawson (Asst CAS), representing LGen André Deschamps, CAS, provided an update on Canada's air force.	

Item	Discussion	Actions and Comments
XIX	Aviators of the Year Luncheon (12:00 to 1:20	
	PM) – A Tribute to Sgt Gilbert Laxamana, Air	
	Person of the Year, and Sgt D.R. Corkery, Air	
	Reservist of the Year. Colonel (Retired) John	
	Ambler spoke eloquently on the BCATP and its	
	impact.	
XX	Vintage Wings of Canada presentation. Dan	
	Dempsey of Vintage Wings of Canada gave a	
	very interesting PowerPoint Presentation on	
	Vintage Wings of Canada "Yellow Wings"	
	(BCATP) campaign.	
XXI	Air Cadet League of Canada Briefing. Mr. Ken	
	Higgins, National Vice-President of the Air	
	Cadet League, provided a very informative	
	presentation on the state of the Air Cadet	
	League of Canada and the league's strategic	
	plan. Copies of the presentation can be made	
	available to delegates and Wings unable to	
	attend the AGM.	
XXII	Resolutions Committee Report. Terry Chester,	
	Chairman of the National Resolutions	
	Committee provided an outline of the National	
	Resolutions Committee work. All but resolution	
	01/10 were withdrawn. Bud Wilds questioned	
	AFAC's role in requesting a medal. Dave	
	Donovan rose and explained that the resolution	
	is not intended to ask for a medal, but in fact is	
	a resolution calling on members to support the	
	RCL-generated petition which is asking for the	
	medal. Sam Newman reviewed what he	
	purported to be original text, but his review	
	matched what was on the screen. Terry	
	explained that this is a good point in that we	
	don't need a resolution to do this. A letter	
	might be sufficient. 62 in favour 3 opposed. The	
	resolution was carried.	
XXV	New Business.	
XXV	New Dustriess.	
	Andy Catton addressed a heritage issue,	
	relating to the maintenance of a memorial	
	located overseas. He asked if AFAC could write	

Item	Discussion	Actions and Comments
	letters of thanks to the cadets, scouts and	
	guides who parade there every 9 September.	
	Dignitaries from Canada House have not	
	acknowledged these youngsters. Dean Black is	
	to speak to Andy Catton.	
	Alex Richards, 700 Wing Edmonton, informed	
	the meeting that Bob Morgan has been a very	
	active member of 700 Wing, and there is a No. 1	
	Air Division reunion 16-18 September 2011.	
	(Battle of Britain weekend). Brochures are	
	available. Alex explained how they convinced	
	40 MALs to join the Wing. He explained that	
	they use Casino profits to supplement the cost	
	of membership thereby making it less	
	expensive for the submission of dues.	
	Secretarial Note: the association's leaders are held	
	accountable by the membership for the well-being of	
	the association, and an individual member's decision	
	to pay his or her dues is tacit recognition that that	
	member agrees with the work being done by the	
	association's leaders. If, however, a member's dues	
	are paid not by the member, but from casino profits,	
	as an example, then the member is no longer holding	
	the association's leaders accountable. Individual	
	members signal their satisfaction with the	
	association's products, programs and services, only	
	when they themselves submit their annual dues. If a	
	member's dues are sourced from other places, like	
	casino profits, then the association has little idea	
	whether its products, programs and services are	
	worthwhile. If any Wing is supplementing national	
	membership fees they need to come forward and	
	explain why this is so, in order for the association to	
	gain a better understanding of the association's 'value proposition'. The 'value proposition' explains	
	1	
	recruitment and retention successes and failures. If the 'value proposition' is skewed by supplemented	
	dues, then the association is unable to confirm the	
	viability of its products, programs and services, and	
	is unable to estimate future retention and recruiting	
	is amore to commune farate resemble and rectalling

	capabilities.	
	For Sinnett 110 Wing conveyed the family's	
	Earl Sinnett – 410 Wing, conveyed the family's gratitude for the response of the association in	
	support of the late Sammy Sayle. He also	
	expressed his gratitude to the RCAF	
	Association Trust Fund board of trustees and	
	the Secretary for the tremendous help given to	
	410 Wing which struck up an association with	
	the Centralaires band. Four concerts are put on	
	each year, at the Canada Aviation Museum,	
	and the venue affords the Wing an opportunity	
	to brief the public on the association, its mission and goals.	
	and godio.	
	Sam Newman – 427 Wing. During the last few	
	years we seem to have downgraded our	
	importance of selecting our own Len Baldock	
	Member of the Year. Mr. Black was asked to	
	look at making sure a photo and page portion	
	are to be found in Airforce magazine in the near future.	
	luture.	
	Secretarial Note: the publisher of the magazine is not	
	responsible for editorial content in Airforce	
	magazine. Readers/subscribers/members are	
	responsible for submissions and the editor (Vic	
	Johnson) is responsible for deciding if the	
	submissions are of a quality members expect, and the story has the potential to be of interest to the wider	
	membership. If Mr. Newman and the members	
	believe the Len Baldock (member of the year) winner	
	deserves coverage in the magazine, then the members	
	need to submit an article of suitable quality, as well	
	as photographs. The fact the Len Baldock winner	
	was unable to attend this year's AGM suggests the	
	onus will be on the president Atlantic Group to	
XXVI	provide the necessary article and photograph.	
\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\	Future AGM Options and Locales (Proposals and Discussion)	
	• 2011 – Québec City	
	2012 – Atlantic Canada	

Item	Discussion	Actions and Comments
	• 2013 – Southern Ontario	
	The Executive Director explained that no Wing	
	has come forward to help host future AGMs;	
	therefore, the NEC has chosen the	
	aforementioned venues and locations. The 2011	
	AGM will be held in Quebec City, at the Loews	
	le Concorde hotel (14 to 16 October), one block	
	from the Quebec City (vieux Québec).	
	Discussion ensued regarding the withdrawal of	
	capability and interest in Atlantic Canada, to	
	host an AGM in 2012. Consequently, the NEC	
	will reconsider the location of AGMs in 2012	
	and beyond, mindful of the enormous burden	
	non-hosted AGMs place on the very small staff	
	in Ottawa. It is anticipated that AGMs in 2012	
	and 2013 may take place in southern Ontario,	
	with Ottawa serving as one possible location.	
XXVII	Closing Remarks and Adjournment. The	
	chairman adjourned the meeting at 10:00 AM	
	on Sunday, 17 October, 2010.

The above figure demonstrates a negative correlation between the number of Wings attending the annual general meeting, and the distance to the venue from a specific geographical/association demographic centre-of-mass. The central point chosen for this purpose is Peterborough. In other words, the further removed from Peterborough, the fewer the number of Wings attending the AGM. Statistics reflect annual meetings over the past eight years.

It is not accurate to attribute the decline in participation of Wings solely to the distance Wing members are required to travel. Other factors will have an impact on this process, such as the ageing of membership/Wing executives.

Nevertheless, it is important to realize that if the national executive council needs to ensure a quorum, choosing a more central location will reduce risk.

AFAC and the Not-for-Profit Corporation Act, the Way Ahead

In June 2009 Bill C-4, the Not-for-Profit Corporation Act, hereinafter referred to as the NPCA, achieved royal assent. The act amends the Canada Corporations Act of 1917 to which the Air Force Association of Canada has been held since formation as the Royal Canadian Air Force Association of Canada circa 1948. The NPCA is expected to be put in force in early 2011, and affected organizations will have three years during which they will be expected to implement the act accordingly.

The purpose of the act is to strengthen the relationship between organizations and the government, and to improve efficiency and effectiveness through measures that enhance governance and stewardship. It is via such measures that the government seeks to provide better protections for members by providing associations with the tools and skills that help directors achieve greater accountability and stability.

The government has a vested interest in implementing such measures. The not-for-profit sector numbers over 161,000 organizations supported by approximately 12 million volunteers and thousands of employees all helping to generate close to \$80 billion toward the Canadian economy.

In the months and years ahead the National Executive Council will be working, through the establishment of an ad hoc committee, to assess and implement the implications of the act. We will clearly need to comply with the provisions of the legislation. In fact, it presents the opportunity to implement better governance and stewardship practices designed to improve the value proposition of membership in the association.

The NEC will be reporting on the progress of this work from time to time. Other members may be asked to participate in this vital work.

One related ongoing area of study by the Membership Committee has been the contentious issue of Associate Membership. There are provisions in the Not-for-Profit Corporation Act that will impact membership and the ad hoc committee will need to consider these. For the time being, members are advised that the NEC will prepare, circulate and present for consideration at the next AGM, a resolution on Associate Membership. The details remain to be worked out but the membership should rest assured of two things: 1) that the NEC is committed to resolve this issue of membership; and 2) that full consultation with Groups will be conducted.

Due to the fact that this is a work in progress, no formal discussion will be entertained at this time. Those with views are asked to contact the Membership Chair, 2nd Vice President Greg Spradbrow.
